Dear Parent/Carer,

It has been an excellent and productive start to a new term with some exciting learning being seen across the school. I know some of the 'Meet the Teacher' sessions have already taken place and the feedback is that this is an excellent way to get to know your child's teacher. We really do want to work closely with you to ensure that your children make excellent progress with their learning and achieve their potential.

## Welcome Foundation!

The children in the Foundation Unit are settling really well into our Place Farm family. They have been busy exploring the unit both indoors and outdoors and making lots of new friends along the way! The children have been introduced to our 'Golden Rules' and are adapting very well to our daily routines.

It is lovely to see how confident the children are when coming into class, sharing their interests and news with their friends and teachers, and choosing what they want to eat at lunch time. We are really excited to see their individual learning journeys progress.

## A polite request from class teachers

Please can parents to stand further back in the playground when collecting their child. This is to ensure staff can see parents more clearly and can quickly pass the children over. Thank you very much for your understanding.

## Cake Sale

At the start of term, Caroline Baxter, Theo Long's mother asked school if we wanted to be involved in raising money for MACMILLAN this term. Staff agreed that this was an excellent idea. We invite you to bring in cakes for a cake sale at the end of the school day, on the playground, on Friday 29<sup>th</sup> September to raise money for MACMILLAN CANCER SUPPORT. Cakes can be brought into school at the start of the day, via the Office. We thank you in advance for your support.
