Friday 24th November 2017

Dear Parent/Carer,

Thank you for all your support fundraising for Children in Need last week. You helped to raise £323.94 - fantastic effort, well done! Here is a note from the Year Four Team: On Wednesday, the Year Four children celebrated their Roman project with a dressing up day. During the day, the children took part in a variety of Roman-themed activities, including 'Ro-Maths' and 'Rom-Art'. We would like to thank parents for providing such fantastic costumes; the children all looked fabulous!

Have a lovely weekend everyone.

Jane Sendall
Headteacher

NEW START TIME

Year Six Breakfast Club

From Monday 27th November,
Year Six Breakfast Club will be
opening at 8:15am.

A message from Friends of Place Farm:

“Don't forget to return your raffle tickets as soon as possible: the deadline to be entered into the draw is Friday 8th December, so don't miss out!”

Whole school attendance last week was 95.6%

Whole school attendance this week is 95.5%

Tremendous success at the Book Fair!

After waving goodbye to the Book Fair, the takings were counted and verified, and we can now reveal that we made an amazing **£1207.40!**

Thank you to all of you for your support, as without your purchases we wouldn't be able to earn rewards for our school.

Due to this fantastic total, we can now spend a jaw-dropping **£724** on more Accelerated Reader books for our Library!

In a world engulfed in technology, the children's enthusiasm and excitement when looking at the books during their class browsing sessions was so refreshing to see.

Our 'Where's Wally?' competition certainly got the children in the spirit of the Fair, and all were eager to win a new book.

Once again, a huge thank you to all of you who purchased books, either at the Book Fair or by sending in an order - we couldn't run it without you!

Our 'Where's Wally?' competition winners!

This term during Science lessons, the children in Rainbow Class have been investigating how we use our senses in everyday life. Their final challenge was to design and make a sensory board, with lots of textures to explore, for younger children. The finished products were shared with the Foundation classes.
